Introduction

The Dundee Flower & Food Festival continues to offer the best in food, horticulture and live entertainment. The Festival offers a packed programme including free cookery and gardening demonstrations, children's activities, a craft fair, live music and guests.

Exhibition Marquee

The marquee provides visitors with an opportunity to see the finest collection of cut flowers and vegetables at any horticultural show in Scotland, classes include the World Potato, World Gladioli and the Scottish National Chrysanthemum and Dahlia Society Championships.

Sponsored by:

Floral Marquee

Our gardening guest will be Jim McColl, who will be joining us on Saturday 2 September to answer all your gardening questions. Full details of the weekend's events and talks will be available on the Dundee Flower and Food Festival website.

Crafts

In its new location, the Craft Marquee, in addition to sensational design and gifts will feature local crafts by members of the Angus Craft Association.

Highlights for 2017

A new introduction to the Exhibitors Marquee is the British Begonia Society 12 Board Championships. Visitors will see a vibrant display of shades of orange, red, white and yellow begonias.

Entertainment Programme

Returning through popular demand is Big Rory and his dog Ochie who will entertain visitors throughout the showground on Saturday and Sunday. An exciting programme on the Music Stage will feature on Friday local school bands and on Saturday and Sunday the Festival will showcase a variety of musicians and bands.

Keep an eye on our website for announcements of artists.

Food Festival

Sponsored by:

Visit Scotland's Natural Larder demonstration kitchen to see some of Scotland's premier chefs, help visitors reconnect with the exciting produce on offer on our doorstep.

Chefs, using their skills, will use fresh and local produce to show visitors how to create simple dishes adding flavour to a healthy balanced diet.

The Food Fair is also home to 40 trade stands and market stalls offering delightful produce from both regional and national suppliers.

Environmental Activities

will be highlighted in the Woodlands4Yew and Children's Marquees, both celebrating the Year of History, Heritage and Archaeology including an interactive display of Dundee Law. What artefacts can you dig up from this iconic Dundee greenspace?
